Michael Flagg and I spoke with a citizen or a member of a citizen's group about the dunes sometime in the past year or year and a half. He was familiar with the issue from having lived in or near SLO. I took notes during the call (though I'm not sure I saved them) and we did not talk about policy, studies, or data that I can recall.

Michael - do you remember the conversation?

thanks

I don't think AIR-2 would have any responsive documents for this FOIA, but does this ring a bell with anyone? See highlight below for short version of the request.

The 4th attachment (though it's hard to find) requests:

1. All records..between EPA and SLOAPCD regarding PM policy, studies or data related to Oceano Dunes State Vehicle Recreation Area since 2000.
2. All records concerning PM policy, studies or data related to Oceano Dunes SVRA since 2000.

Air-4 does not have anything responsive. If you do, please take the lead on the reply and let Christine know by September 25.

Chris, if you haven't heard anything by then, could you reply (which I think can be email) to the requestor and copy Ceciley and our FOIA office, that EPA does not have anything responsive.

Thanks.
